Digest Giant is a Super Premium product made from highly digestible ingredients, which are suitable for dogs of large and giant breeds with sensitive digestion. This is ideal food with moderate energy to keep adult large and giant breed dogs in good shape and healthy. The size of the kibble is specially adapted for optimal intake in large breeds.

REDUCES THE RISK OF STOMACH PROBLEMS & FOOD ALLERGIES

- Contains lamb as only mammal protein source; lamb protein triggers very few allergies.
- No gluten; rice as only grain source to reduce risk of gluten reactions.
- With fructo-oligosaccharides and yeast to reduce risk of soft stool.
- Contains lecithin to increase digestibility of fats.
- With fibres to promote intestinal health.

CONTAINS CHONDROITIN AND GLUCOSAMINE

- Chondroitin and glucosamine are components of the cartilage in the joints; these substances support the cartilage for supple joints.

ENRICHED WITH TAURINE

- Taurine supports heart function and is important in the nutrition of large and giant breed dogs.
- Optimal content of fatty acids Omega 3 and Omega 6 to counteract inflammation and strengthen immunity.

PROMOTES HEALTHY, SHINY COAT

- Contains biotin, a B-Vitamin, to help build up a good coat.
- Rich in fatty acids Omega 3 and Omega 6 to improve the condition of the skin and coat.
- Enriched with copper to stimulate enzymes which enhance colour of coat.

VERY TASTY

- Highest quality ingredients give taste that dogs love.

AVAILABLE: 12.5 kg
